This Low-Cost Fertilizer for Bigger Crops of All Kinds

From Florida and other states come many letters saying in effect: "Send me more NATURSOWN. It has increased the yield of every crop I tried it on." Hundreds of growers have astonished their neighbors with record yields due to NATURSOWN. You can make greater profits from bigger yields like they do.

**Naturstown—High Grade Pulverized Phosphate
Always Uniform Strength—32% Phosphoric Acid**

Our double grinding process reduces the natural phosphate to a powder of which about 70 per cent passes screen with 40,000 meshes per square inch. Soil conditions render this soluble to meet the needs of any plant—truck, standing crops and trees. We guarantee every pound 32 per cent phosphoric acid.

**Actual Growing Experience Will Prove
Naturstown a Money Maker for You Also**

We welcome this test: This season fertilize half of each crop fairly with NATURSOWN, growing the other half following your usual custom. You will harvest 10 per cent to 25 1-2 per cent more from the half treated with NATURSOWN. You ought to make this proof. It means money to you.

In NATURSOWN, phosphorus costs about half as much as in best commercial fertilizer. Goes twice as far.

COUNTIES ASKING FOR MORE SPACE

And Twice As Many Falling Into Line As Last Year at the South Florida Fair and Gasparilla Carnival. One Additional Building Has Been Provided for, and Indications Are That Others Will Have to Be Erected.

Tampa, Dec. 14.—That the array of product exhibits shown at the South Florida Fair and Gasparilla Carnival, to be held in this city February 2 to 10 inclusive, will be the most varied ever seen at a southern fair is established by the fact that the counties which participated in the last fair are asking for increase of space in all exhibition buildings, and twice as many new counties are falling in line. One additional building has been provided for, and indications are that more will have to be erected. The work of preparing entertainment features of the Gasparilla carnival is now under way, and they will be even more brilliant than those of past years. Many novelties will be added, with Tampa's foreign born citizens participating, and the social events to which the visitors will be seen in this country.

Railroad officials say the fair and carnival will bring to south Florida twice as many home seekers as took advantage of the low round trip rates offered last February.
